Narrabeen FC Executive Committee Candidates Season 2027

President – Peter ‘Rocky’ Giles

I have been president for 3 years and been at the club for 13 years in many capacities. My passion for the club is clear and there is still a lot to achieve that I will see through which will create a secure future for the club and offer as much development as possible for Narrabeen FC players at all ages

Vice President – Matthew Papandrea

I’m a born-and-bred Northern Beaches local with a strong connection to the community and, through my kids, a genuine passion for Narrabeen FC. With multiple children playing at the club, I’ve really enjoyed being involved and contributing wherever I can to support the development of our young players and the broader football community.

I’m putting my hand up for the Vice President role because I’d love the opportunity to help Narrabeen FC build a strong foundation for the future, strengthen the club from the ground up and help create an environment where our juniors can develop, enjoy their football and thrive.

Professionally, I bring extensive corporate experience across strategy, leadership, business development and organisational growth. I believe that experience can add real value to the strategic side of the role, helping the club establish clear direction, build sustainable structures and position Narrabeen FC for long-term success.

Most importantly, I’m passionate about the club, the local community and giving our kids the best possible opportunity to enjoy football and develop both on and off the field.

Vice President – Cameron Wark

I have run my own Travel Business for the past 18 years and understand how to maximise success. I have also run multiple Summer soccer teams and SIC over the past 4- 5 years. I can make a difference and bring organisational skills to assist the committee and lead from the front. The development of the kids with transparency is key.

Registrar – Sally Cannon

I have been the Club Registrar at Narrabeen FC for the past three seasons, supporting player registrations and helping ensure the smooth operation of the club. With one child playing for

Narrabeen FC. Passionate about community sport and enjoys contributing behind the scenes to create a positive experience for players and families.

Outside of football, I'm Marketing Manager for the Hire and Rental Industry Association (HRIA) and the Elevating Work Platform Association (EWPA). These national industry associations support businesses and workers across the equipment hire, rental and access equipment sectors through advocacy, training, safety initiatives and industry development programs. When I'm not working or at the football field, I enjoy spending time with family and friends, travelling, and making the most of the Northern Beaches lifestyle.
